Executive Headteacher Miss Rachel Quick
Head of School Mrs Ingrid Rounce

Dear Parents and Carers,

A Happy New Year to you all and welcome back to what promises to be a busy Spring Term in Diamond Class!

This Term's topics are all based around our 150 Year Celebrations which will culminate in an open afternoon on April 15th. Please keep this date free so that you can come along with all your friends and family to help us celebrate Fleggburgh Primary School being 150 years old! Diamond Class will be studying the History and Geography of Fleggburgh village and of course the school. They will also be investigating what life would have been like for a child across the decades that the school has been open, in particular looking at the lives of Victorian children and children's lives during the wars. If you have any artefacts, photos or stories to tell that would support our topics we would be most grateful if you could share them with us. We would love to make a display of the school across the decades too so if you know anyone who used to be a pupil or member of staff, please ask them if they have any thing about the school we may borrow and do also invite them along to our celebration afternoon! As part of this curriculum we will be taking all of the pupils to a Victorian School where they will experience a Victorian School day. This will be on Thursday 17th March – more details will follow but the children (and the staff) will be encouraged to wear Victorian Costume for the day so this is advanced warning!

In Science we are continuing with the Empiribox Science scheme and this term it is a Biology Unit – Human Health and Fitness so please look forward to your child explaining how to keep fit and healthy in 2016!

PE this term is a combination of Rugby, Dance and Gymnastics so please help your child ensure they have both warm outside kit (Tracksuit and appropriate trainers) and an indoor kit too (shorts and yellow t-shirt). PE will still be on Wednesday and Thursday.

Homework remains the same for the first half term:

Monday	Reading
Tuesday	Maths
Wednesday	Reading
Thursday	English
Friday	Spellings

After half term we will be setting a family homework project and further information about this will be sent out at the start of next half term.

Year 5 and 6 will be going on residential at the end of Spring Term to Holt Hall and letters with all the information about this are to follow. Residential trips are always exciting, special and such valuable learning experiences for the pupils and we look forward to telling you all about what we learned on our return!

Finally, a reminder that Monday 11th January is of course Penny loaves assembly at 2:30pm in the school hall. Do invite any families with small children to come along to receive their very special loaf of bread.

If you have any concerns over the term do not hesitate to contact us at any point. We are always available before or after school and are happy to talk to you.

Yours sincerely

I Rounce and G Yassin
