- Royal Wedding Lunch

This week has been very busy with the Year 6 pupils taking their SATs. They have all been brilliant and we have been so impressed with how well they have worked. I am sure that they will all be very relieved when the final tests are completed on Thursday but should also be exceptionally proud of all the progress that they have made throughout the year.

This part of the year always rushes by and at the end of next week we will break up for our half term break. Throughout the summer the children are able to use the outdoor areas more and more and this week it has been fantastic to see so many children having an amazing time completing their science activities in the sunshine. They were busy creating poppers using film cases and effervescent tablets! Practical activities such as these have really engaged the pupils and they are confident at using the scientific language that explains the processes in experiments such as this one. Both our Key Stages use the Empiribox science scheme which has allowed the children to explore lots of exciting topics. Their knowledge is fantastic and they are all so keen to take part in the sessions.

Why not ask your children about what they have been learning about in science and I am sure they will be willing to talk about all their practical experiments!

Currently
our whole
school
attendance
is

92.5%

Please help
us reach our
target of
96%+

Non-school uniform day:

On the last day of this half term (Friday 25th May) we will be having a non-school uniform day. Instead of bringing a £1 donation we would like you to donate a prize for the tombola. The tombola will be held at the Friends of Fleggburgh School Fete on Saturday 9th June.

Circus activities:

This week sees the arrival of the circus in the village. If you have not returned permission slips that have previously been sent home, please do so as soon as possible. On Thursday afternoon the children will have an assembly in the Big Top and parents are invited to join this too. The assembly will begin at 2:45pm. Additionally, if you would like to purchase tickets for the circus performances at the weekend you can do so through the school office.

NSPCC Speak Out, Stay Safe:

We will be having a visit from the NSPCC education team who will be working with the children. They are trained specifically to deliver the Speak Out, Stay Safe programme which gives children the knowledge and understanding they need to stay safe from abuse and neglect. A more detailed letter will be sent home outlining the particular areas that will be talked about so please look out for this this week. This teaching programme is specifically tailored to the primary age range meaning that it is appropriate to the age of our children.

Please visit www.nspcc.org.uk/speakout for more information.

Open Performance:

Our cluster of schools will be performing at the Open venue in Norwich on Thursday 14th June. We will be teaching the Key Stage 2 pupils some songs to sing as part of a joint Freethorpe and Fleggburgh Primary School choir. Details of the concert will be sent home next week to the parents of those children who are interested in taking part in the event.

County Library Books:

We would like to have all our County Library books that we send home returned to school by the end of next week. As soon as we return from half term the library van will be visiting to collect them. The children will then be able to make new selections to keep in school and borrow. If you have any library books at home please ensure that they are returned to class as soon as possible – we need to ensure we return all books as the school is charged for every book that is not returned. Many thanks.

Royal Wedding Lunch:

Please note that the lunch on Thursday this week is the Royal Wedding special. Only lunches that have pre ordered will be available. Therefore, if you have not ordered a school lunch for this day, please send your child to school with their own lunch. Many thanks.
