Contents of this newsletter:

- Welcome
- School Council
- New Pupils
- Safety at School
- PE Request
- Dates

Welcome back to school. I hope you all had an enjoyable summer break. Thank you for sending the children back to school looking so smart in their school uniform. We have a busy term ahead and we look forward to welcoming you to school to join us for a number of events. A calendar is attached for your information.

School Council

Elections took place this week and the following children have been elected to be members of the School Council:-

- Year 6 - Edward & Kira
- Year 5 - Callaghan
- Year 4 - Soren
- Year 3 - Dexter
- Year 2 - Frankii
- Year 1 Sabina

Welcome

To the following children and their families who have joined us this term:-

Emerald

Alex, Oceania and Eli

Diamond

Brandon

Safety at School

At the beginning of the school year we talk to the children about various aspects of safety. This week we have had a fire drill and a lockdown drill. Both went smoothly and the children responded very sensibly and safely

Request from PE Department - when girls wear tights into school could they please remember to put a spare pair of socks into their PE bags to change into - Thank you!

Contents of this newsletter:

- Meet the staff
- Emerald Class trip
- Easter Service and tea
- Easter Raffles
- Holt Hall Trip
- Empiribox Science
- Great Egg Race
- Country Dance Party

Easter Service and tea:

This year we will be holding the school Easter Service and tea at the school. There will be a short service where the children will take an active role and this will be followed by a small Easter tea. You are welcome to join us for this celebration of Easter: the service will begin at 2pm in the school hall.

Easter Bonnets Homework activity:

All Easter Bonnets must be in school first thing on Wednesday 28th March – we will be judging the entries in the morning and then the children will be parading their creations during the service in the afternoon. If you require another copy of the original letter with details of the project please ask in the office.

Easter Raffle and donations:

You will have received a letter home yesterday containing details of the school's Easter raffle. Tickets were attached to the letter and we would be grateful if you could sell as many as possible to help raise as much money for the Friends of Fleggburgh School.

We are also looking for donations of Easter eggs and chocolate for the raffle prizes. Please bring all donations to the school office. Many thanks for your continued support; we really appreciate your generosity and willingness to be a part of all our school events.

Holt Hall Trip:

We had a fantastic trip to Holt Hall and the Year 5/6 pupils who attended thoroughly enjoyed the opportunity to take part in a wide range of activities in the beautiful grounds of the hall. Orienteering and environmental art were among the particular highlights. The children have been working hard to produce their own newspapers about their visit so look out for these: copies will be sent home before the end of term. A display of photos and work is in the school hall, so next time you are popping in, why not have a look. As always, the children were exceptionally well behaved and should be very proud of the way in which they represented the school.

Empiribox Science:

For the last few years the Key Stage 2 pupils at Fleggburgh Primary have been able to use the fantastic Empiribox Science scheme. This programme provides our staff with high quality training opportunities as well as allowing the pupils access to a wide range of amazing resources. Consequently Science lessons are stimulating, engaging and inspiring and often include a big bang as well as some form of exciting practical experiments! From next term we will be introducing this scheme to Emerald Class too. Staff will receive their training for the first units this week and then the lessons will be taught from the start of the summer term. We are looking forward to being able to engage the younger children in the school in the same way as KS2 are involved in science and I am sure they will love their first topic which is "Changing materials".

- Meet the staff
- Emerald Class trip
- Easter Service and tea
- Easter Raffles
- Holt Hall Trip
- Empiribox Science
- Great Egg Race
- Country Dance Party

The Great Egg Race Challenge:

Last week a team of 4 KS2 pupils took part in the cluster Great Egg Race challenge. They were asked to build a glider that would safely transport an egg as far as possible. However, they could only use a limited amount of resources! The team worked brilliantly together with Mrs Eagle, beating off stiff competition; their design was so successful it won the event! Well done to Lily, Tegan, Callaghan and Logan.

Country Dance Party Reminder:

The Country Dance Party at Acle Academy is this Thursday (22nd March) between 4pm and 6pm. Parents are required to take their children to and from the event if they wish to attend. A small tea is provided at the event and so you need to ensure your child is registered for the event. Please let the office know if you still have not replied and would like a place for your child. Any payments that have not already been made should be given to the office as soon as possible.
