Welcome! We are excited to begin a new year in Emerald Class.

Forest Schools

Forest School sessions will continue to be run by the expert team from Little Explorers Nursery. Please check your child has welly boots that fit on the rack. **Children need to come to school with appropriate clothes to spend time learning outside.** This time of year that means layers and waterproofs. We have found from experience that separate coats and trousers are easier for the children to get into and out of than all-in-one sets. Hats and waterproof gloves are ideal but no scarves thank you.

Homework

Children are provided with a wallet to keep their homework and reading books safe. There is a list in the front of the book showing when they are due to be handed in. Please don't let keen children go ahead of the date due as we will only mark one piece each week!

Reading

We ask that you share a book daily with your child and complete their reading diary so that we know which books have been read. We hear the children read daily in phonics lessons, as well as in more formal reading sessions, but the children that read with an adult every day at home as well as in school, make the best progress. The children get a raffle ticket each time we can see that they have read with adult in their reading record, which go towards winning the weekly reading raffle. The more times they read, the greater their chance at winning! You are welcome to come into school before or after school on Wednesdays to choose books with your child.

Spelling

Your child will bring a spelling book home each week with the words they are learning. There are two spaces to practice each week and a space for them to complete their test in school. Please ensure that spelling books are in school each Friday.

If you have any concerns or need to discuss anything with us, please contact the office.
